

FLEXIBLE FINANCING

We have more flexibility than local banks. We understand every business is different and utilize our custom programs.

12-84 MONTH TERMS

Get terms that make sense for your business. Accurately forecast your revenues to ensure no surprises arise.

94.6% APPROVAL RATIO

While large institutions depend on volume, we look at every potential customer individually to ensure the highest chance of approval.

QUICK APPROVALS

Get the equipment when you need it the most. Receive funding within 48 hours from approval.

EQUIPMENT FINANCE MADE SIMPLE

Providence Capital is an expert at providing fast, friendly, and flexible equipment finance solutions to a huge varieties of industries across the United States. Our financing program is beneficial to business owners who want an alternative to large cash expenditures. We eliminate the frustration of getting turned away from a local bank. We work with over 20 different banking lines to service any credit. We are here to offer you unique and effective solutions to help your business grow with our custom-designed financing program plans. We are the financial partner you can trust.
